## PART A: TENDER DETAILS AND INSTRUCTIONS TO BIDDER(S)

### A-1. General

Before submitting the tender, the Bidder must ensure that he has understood the exact requirement of the Employer. In case of any discrepancy or ambiguity felt by the Bidder in the scope of work and the desired deliverable functionality from the work, it is mandatory to raise the clarification through CPP portal. In case no such clarification required by the Bidder, it will be construed that all the requirements of the employer are understood by the Bidder and no communications will be entertained or done by the employer at any stage of work after the opening of the Tenders.

### A-2. Tender Documents

1. The contents of the tendering documents as listed below shall be read in conjunction with any addenda issued. All the components of the tenders shall be considered as single tender document:

   **Part A**: Tender Details and Instructions to Bidder(s)
   **Part B**: General Conditions of Contract
   **Part C**: Special Conditions of Contract
   **Part D**: Description of work
   **Part E**: Additional Conditions of Contract
   **Part F**: Financial Bid

   **Earnest Money Deposit (EMD):** EMD amounting to **₹ 7,837.00/- (Rupees Seven Thousand Eight Hundred and Thirty-Seven only)** shall be deposited only in the prescribed form of Bank Guarantee/FDR/CDR or Demand Draft including amendments from time to time of Nationalized/ Scheduled bank in favour of Executive Engineer, Upper Brahmaputra Division payable at Dibrugarh. EMD of the unsuccessful Bidder(s) shall be returned within 15 days in original after finalization of the contract with the successful Bidder. EMD of the successful Bidder shall be treated as part of security deposit. EMD of a Bidder can be forfeited in case of withdrawal of tender before the finalization of the tender evaluation or for no tendering into the contract.

2. The tender Documents are available at CWC website URLcwc.gov.inand Central Public Procurement Portal (CPPP) websitehttps://eprocure.gov.in/eprocure/app, https://eprocure.gov.in/epublish/app. Bidder who has downloaded the tender from the aforesaid websites shall not tamper/modify the tender form including downloaded price bid template in any manner. In case the same is found to be tampered/modified in any manner, the Bid(s) will be completely rejected and their EMD should be forfeited, and the bidder is liable to be banned from doing business with CWC.

3. In tend in Bidders are advised to visit this website regularly till closing date of submission to keep themselves updated as any change/modification in the tender will be intimated through this website only by corrigendum/ addendum/amendment.

4. Bids shall be submitted online only at Central Public Procurement Portal (CPPP) website https://eprocure.gov.in/eprocure/app.Bidder(s) are also advised to following the instructions provided in the 'Instructions for online bid submission 'for the e-submission of the bids online.

The tender notice is also available at https://www.eprocure.gov.in and https://www.cwc.gov.in.Bid documents may be scanned with 100dpi with black and white option which helps in reducing the size of the scanned document.

5. Not more than one tender shall be submitted by one contractor or contractors having a business relationship. Under no circumstances will father and his son(s) or other close relations who have business relationship with one another (i.e. when one or more partner(s)/ director(s) are common) be allowed to tender for the same contract as separate competitors. A breach of this condition will render the Bidder(s) of both parties liable to rejection at any stage.

6. Bids received online on Central Public Procurement Portal (CPPP) website https://eprocure.gov.in/eprocure/app will be opened as per date/time as mentioned in the Tender Key Event Sheet (**at page no.10**).

3. The allocated time for completing the work will be **90 days** from the date of handing over the sites.
4. Tenders received without requisite Bid Security (EMD) will be summarily rejected.
5. The contractor shall be required to deposit an amount equal to 5% of the tendered and accepted value of the work as performance guarantee in the form of FDR or Bank Guarantee of a Nationalized/ Scheduled bank issued in favour of the Executive Engineer, Upper Brahmaputra Division, CWC, Dibrugarh payable at Dibrugarh within 7 days of the issue of letter of acceptance .This period can be further extended by the Engineer-in-Charge up to a maximum period of 03 days (along with penalty as prescribed as per e-Tender Key Events Sheet as mentioned on page 10)
6. Bidders are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the nature of the ground and sub-soil (so far is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general, shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tenders. **A Bidder shall be deemed to have full knowledge of the site whether he/she inspects it or not and no extra charges or exemption in scope of work consequent on any misunderstanding or other issue shall be allowed**.
7. The Bidder shall be responsible for arranging and maintaining at his/her own cost all materials, tools and plants, water, electricity access, facilities for workers and all other services required for executing the work unless other is specifically provided in the contract documents.
8. Submission of a tender by a Bidder implies that he/she has read this notice and all other contract

documents and has made himself/herself an area of the scope and specifications of the work to be done and of conditions and rates at which stores, tools, and plant, etc. will be issued to him/her by Government and local conditions and other factors having a bearing on the execution of the work.

9. The competent authority on behalf of President of India does not bind himself/ herself to accept the lowest or any other tender and reserves to himself /herself the authority to reject any or all of the tenders received without the assignment of any reason. All tenders in which any of the prescribed conditions are not fulfilled or any condition including that of condition all rebate is put forth by Bidder shall be summarily rejected. The competent authority also reserves its right to allow the Central Government public sector enterprises, a purchase preference with reference to the lowest valid price bid, here the quoted price is within 10% of such lowest price in a tender, other things being equal as per Government rules.
10. The Public Enterprises who avail benefits of the purchase preference should be subjected to adequate penalties for cost over runs etc.
11. Canvassing whether directly or indirectly, in connection with tenders is strictly prohibited and tenders submitted by the contractors who are sort to canvassing will be liable to rejection.
12. The competent authority on behalf of President of India reserves to himself/herself the right of accepting the hole or any part of the tender and the Bidder shall be bound to perform the same at the rate quoted.
13. No Engineer of Gazetted rank or other Gazetted officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of two years after his/her retirement from the Government service, without the previous permission of the Government of India in retiring. This contract is liable to be cancelled if either the contractor or any of his/ her employees is found any time to be such a person who had not obtained the permission of the Government of India as said before submission of the tender or engagement in the contractor's service.
14. The tender for the works shall remain open for acceptance for a period of 180 (One Hundred and Eighty Days)days from the date of opening of the tenders. If any Bidder withdraw his/her tender before the said period or issues of letter of acceptance, whichever is earlier or makes any modifications in the terms and conditions of the tender which are not acceptable to the department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit the earnest money.
15. This Notice Inviting e-Tender shall form a part of the contract document. The successful Bidder/ contractor, on acceptance of his/her tender by the Accepting Authority, shall, within **3** days of the award of work shall sign the contract agreement consisting of the Notice Inviting Tender, all the documents including additional conditions, specifications, and standard CPWD Form7/8.
16. In Item Rate Tenders, only rates quoted shall be considered. Any tender containing percentage below/above the rates quoted is liable to be rejected. Rates quoted by the contractor in item rate tender in figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figures and words. However, if a discrepancy is found, the rates which correspond with the amount worked out by the contractor shall unless other is provided be taken as correct. If the amount of item is not worked out by the contractor or it does not correspond with the rates written either in figures or in words, then the rates quoted by the contractor in words shall be taken as correct. Where the rates quoted by the contractor in figures and in words tally but the amount is not worked out correctly, the rates quoted by the contractor will unless other is provided be taken as correct and not the amount.

17. Purchase tax, turnover tax or any other tax on materials and services provided to purchaser in respect of this contract shall be payable by the contractor and Government will not entertain any claim whatsoever in respect of the same.
18. Income tax as per Government rules will be deducted from each bill to be paid to the contractor.
19. The contractor must quote the ITPAN and GSTIN number correctly in the tender form.
20. Payment of Goods and Service Tax will be on reimbursement basis. Agency/ Contractor shall deposit Goods and Service tax and submit challan etc., for reimbursement from the office.
21. After completion of works, a pre-receipted bill in triplicate must be sent to this office. The amount must be written in figures as well as in words in the bill. Payment will be made through RTGS or any online payment mode.
22. The rates tendered by the contractor shall be all inclusive.
23. Other agencies doing works related to this project will also simultaneously execute the works and the contractor shall extend and afford necessary facilities for the same.
24. No extra amount shall be payable on account of any restrictions imposed by the other Government agencies/local bodies on the working and movement of labour, materials, machinery etc., if any.
25. The contractor shall comply with proper and legal orders and directions of the local or public authority or municipality and abide by their rules and regulations and pay all fees and charges, which may be liable.
26. **The agency/ contractor shall obtain the required permissions/ approvals from local authorities or public departments like Forest etc. For carrying out the work by Himself only. However, only necessary support will be provided by CWC department**.
27. The contractor shall be responsible for all incidental charges for carriage, storage, and safe custody of the materials.
28. For the purpose of recording measurements and preparing running account bills, the abbreviated nomenclature indicated in the publications Abbreviated nomenclature of an item of CWC SOR shall be accepted. The abbreviated nomenclature shall be taken to cover all the materials and operations as per the complete nomenclature of the relevant items in the agreement and other relevant specifications.
29. In the case of items for which abbreviated nomenclature is not available in the above cited publication and also in the case of extra and substituted items of works for which abbreviated nomenclature is not provided in the agreement the full nomenclature of items shall be reproduced in the measurement books and bill forms for running account bill.
30. The full nomenclature of the items shall be adopted in preparing abstract of final bill form in the measurement book and also in the bill form for the final bill.
31. The Contractor shall make his/her own arrangements for obtaining electricity if required and make necessary Payments directly to the Department concerned.

The Purchaser can terminate the contract at any time by giving a notice of 07 days to the Contractor. The Contractor shall have no claim to any payment for the compensation or otherwise whatsoever on account of any profit or advantage which might have been derived on the manpower or other resources derived for this work.

### b) For Contractor's Default

a. The Purchaser without prejudice to any other rights or remedies it may possess, may terminate the contract if the Contractor.

i) Being an individual, or if a firm, any partner thereof, shall at any time bead judged in solvent or have a receiving order or order for administration of his Estate made against him or shall take any proceedings for liquidation or composition (other than voluntary liquidation for the purpose of amalgamation or reconstructions) under any insolvency Act for time being in force for these sequestration of his estate or if a trust deed be executed by him for benefit of his creditors or

ii) has defied at least two previous instructions of the Engineer-in-charge regarding quality of service, or

iii) has furnished any false document, or

iv) at any time makes default in proceeding with the works with due diligence and continues to do so after a notice in writing of 7 days from Purchaser, or

v) has abandoned or repudiated the contract and neglects his obligations under this contract and commits default in complying with any of the terms and conditions of the Contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Purchaser, or

vi) fails to complete the works or items of the work with individual dates of completion, on or before the date(s) of completion, and does not complete them within the period specified in a notice given in writing in that behalf by the Owner, or

vii) shall offer, or gives or agrees to give to any person in Department service or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or for bearing to do or having done or forborne to do any act in relation to the obtaining or execution of this or any other Contract for the Department, or

viii) shall enter into any contract with the Department in connection with which commission has been paid or agreed to be paid by him or to his knowledge, unless the particulars of any such commission and terms of payment thereof have previously disclosed in writing to the Accepting Authority/Engineer-in-Charge, or

ix) shall obtain a Contract from the Department as a result of ring tendering or other non-bonafide methods of competitive tendering, or

x) being a company, shall pass a resolution or the court shall make an order for the liquidation of its affairs, or a receiver or manager or behalf of debenture holders shall be appointed or circumstances shall arise which entitle the Court or debenture holders a receiver or manager, or shall suffer an execution being levied on his goods and allowed it to be continued for a period of 21years; or

xi) assigns, transfers, sublets (engagement of labour on a piece work basis or of labour with the materials not being in corporated in the work, shall not be deemed to be subletting) or attempts to assign, transfer or sublet the entire works or any portion thereof without the prior written approval of the Accepting Authority. The Accepting Authority may without prejudice to any other right to remedy which shall have accrued or shall accrued thereafter to the Department by written notice cancel the contract as a whole or only such items of the work in default from the Contract

b. The Purchaser may without prejudice to any other right, issue a notice for termination of the contract on their commendations of Engineer-in-charge stating the nature of default and requiring the remedy for the same. Failure of the Contractor to carry out a specified work for 14 calendar days may be sufficient grounds for termination of the contract by the purchaser.

**c) On every termination** the Purchaser shall have powers to

i) Take possession of the site and any materials constructional plant, Implements, stores etc. There on, and

ii) Carry out the incomplete work by itself for by employing any third party at the risk and cost of the Contractor.

**B.22.1** On the Termination of the contract in full or in part the Engineer-in-Charge shall determine what amount, if any, is recoverable from the Contractor for completion of works or part of the works, or in case the works or part of the works is not completed the loss or damage

suffered by the Department in determining the amount, credit shall be given to the contractor for the value of the work executed by him up to the time of cancellation, the value of Contractors materials taken over and incorporated in the work, and use tools & tackles and machinery belonging to the Contractor. The Plant &machinery and materials etc. deployed at site by the Contractor for the works shall be in the custody of Engineer-in-Charge or his representative.

**B.22.2** Any excess expenditure incurred or to be incurred by the Department in completing the works or part of the works or the excess loss or damages suffered or may be suffered by the Department as a fore said after allowing such credit shall be recovered from any money due to Contractor on any account, and if such money is not sufficient, the Contractor shall be called upon in writing to pay the same within 15 days.

**B.22.3** If the Contractor shall fail to pay the required sum within the aforesaid period 15 days, the Engineer-in-Charge shall have the right to sell any or all of the Contractor's unused materials, constructional plant, implements, temporary building etc. and apply the proceeds of sale thereof towards satisfaction of any sum due from the contractor under the Contract and if thereafter there by any balance outstanding from the Contractor, it shall be recovered in accordance with the provisions of the Contract.

**B.22.4** Any sum in excess of the amounts due to the Department and unsold materials, constructional plant, etc. shall be returned to the contractor, provided always that its cost or anticipated cost of completion by the department of the works or part of the work is less than the amount which the contractor would have been paid had he completed the works or part of works, such benefit shall not accrue to the Contractor.

## B-23. Suspension of work

The work shall be deemed to have been suspended if

1. It is provided for in the contract
2. Necessary for the proper execution of work as decided by the Engineer-in-charge.

The Contractor shall not be entitled for any extra payment for the period of suspension of work. If the suspension of work continues for more than 14 days, the purchaser may at his discretion, terminate the contract as provided in this contract.

## B-24. Liquidated Damages

The time stipulated in the contract as per progress report shall be deemed to be the essence of the contract. In the event the contract or fails to adhere to the time specified in the progress report of the 'Contract', or approved extended time then the contractor shall pay to the Purchaser liquidated damages for such default and not as penalty as follows.

**a. In the event of any delay in completion of work in all respects as specified in clause C.3 Rs. 500/- (Rupees Five Hundred Only) per day shall be levied as penalty subject to maximum up to 10% of the total contract value.**

**b.** The owner may without prejudice to any other method of recovery deduct the amount of liquidated damages from any money in his/her/their hands due or become due to the Contractor either under this or under any other contract.

**c.** The payment or deduction of such liquidated damages shall not relieve the Contractor from his/their obligation to complete the works or from another of his/their obligations and liabilities under the contract.

If the decision regarding the reasons for delay is required to be analyzed and the same can only be determined after completion of the work or if the issue is likely to enter in to dispute or requires in-depth study to fix the responsibility for the delay, then extension of time will be granted to the contractor subject to levy of penalty and the amount equivalent to the maximum levy of penalty leviable shall be withheld from the running bill sat the stage here the balance payment may not be able to cover the penalty and other obligations as per the provisions of the Contract.

### B-25. Notices

Notwithstanding anything stated otherwise, all notices of this contract shall be in writing through registered mail, speed post, personal or courier deliveries. The transmission by electronic data exchange (fax, email) shall be reconfirmed in writing. Any change in the address etc. shall be communicated within 10 days to other party.

### C-4. Review Meetings

A satisfactory completion or inspection certificate to conform to the Technical Specifications laid down in the Tender Document will be issued by the Purchaser.

The Purchaser will check any product delivered by the Contractor for positional and height accuracy, consistency, edge adjustment and completeness before Final Acceptance. Engineer-in-Charge's decision regarding the quality of work and its acceptability shall be final and binding on the contractors.

### C-5. Final Acceptance of Deliverables

A satisfactory completion or inspection certificate to conform to the Technical Specifications laid in the Tender Document will be issued by each Sub-Divisional Engineer (corresponding to the site at which work is undertaken) based on which the Purchaser shall initiate payment processing.

The Purchaser will check any product delivered by the Contractor for positional and height accuracy, consistency, edge adjustment, and completeness before Final Acceptance. Engineer-in-Charge's decision regarding the quality of work and its acceptability shall be final and binding on the contractors.

### C-6. Terms of Payment

a. No advance payment is payable in this tender.

b. Payment shall be made after completion of work. However, running bill may be processed as per the requirement and further approval of Engineer-In-Charge.

c. Payment to the bidder will be made based on actual quantities of work completed at the approved rates.

d. The contractor shall submit all bills (in triplicate) to the Executive Engineer, Upper Brahmaputra Division, CWC, Dibrugarh.

e. The income tax and GST as applicable shall be deducted at source from the bill.

f. Performance security will be released only after expiry of warranty period of all the deliverables.

g. Any tax as applicable shall be deducted at source from the bill.

**C-7. Warranty Period**

All works and the deliverables shall be warranted for a period of six months beyond the final bill payment for any work error, display error, etc. All errors shall be rectified by the Contractor at its own cost.

**C-8. Property Rights**

All property or intellectual material generated out of this work contract shall be the sole property (material right and copyright) of the CWC.

**C-9. Documents prepared by the Contractors to be the Property of the Client.**

All plans, drawings, specifications, designs, reports, and other documents prepared by the contractors in performing the services shall become and remain the property of the client, and the contractor shall not later than upon termination or expiration of this contract, deliver all such documents to the client, not later than upon termination or expiration of this contract, deliver all such documents to the client, together with a detailed inventory thereof. The contractors may retain a copy of such documents but shall not use them for purposes unrelated to this contract without the prior written approval of the client

**C-10. Equipment and Materials furnished by the Client**

Equipment and materials provided to the contractors by the client shall be the property of the client and shall be marked accordingly. Upon termination or expiration of this contract, the contractors shall provide the client with an inventory of such equipment and materials and shall dispose of them in accordance with the client's instructions.

**C-11. Force protection of trees and plants:**

The contractor shall take all necessary precautions to prevent the destruction of forest trees and plants. In the event of any damage to trees and plants, the contractor shall be fully responsible. The contractor shall also ensure that none of his workers or their family members cut any trees in the area of the project, failing which the contractor shall be held liable for the actions of such worker or their family members**.**

**C-12. Supply off fuel and basic amenities to workers:**

The contractor shall ensure a free supply of fuel and basic amenities to each of the workers engaged on the works under the contract, throughout the contract period for their daily needs.

**C-13. Employment of local Labour:**

The contractor shall always give preference to the employment of unskilled, semi-skilled, and skilled laborers and workmen from the local area. The contractor shall adhere to all prevailing labor laws and acts.

**C-14. Natural water Sources:**

The contractor shall not obstruct/damage any lines of drainage without prior approval of the Engineer-in-charge.

**C-15. Law &order:**

The contractor will provide suitable/congenial conditions and atmosphere and maintain law and order during the execution of work.

**C-16. Safety codes:**

The contractor shall comply with the provision of relevant IS codes (current editions) and shall on liabilities on account of default, if any. For the safety of all labour directly or indirectly employed in the work the contractors shall, in addition to the provision of CPWD safety code and directions of the Engineer-in-Charge, make all arrangements to provide facility as per the provision of Indian Standard Specifications (Codes) listed below & nothing extra shall be paid on this account.

1. IS 3696 Part I Safety Code for scaffolds and ladders.
2. IS 3696 Part II Safety Code for scaffolds and ladders Part II.
3. IS 764 Safety Code for excavation work.
4. IS 4138 Safety Code for working in compressed air.
5. IS 7293 Safety Code for working with construction machinery.
6. IS 7969 Safety Code for storage and handling of building materials.
7. IS 4130 Safety Code for demolition of buildings.

**C-17. Signs:**

Contractor shall be responsible for providing, erecting and maintaining all safety signs necessary for the safety of those working on or passing through the site.

**C-18. Safety Standard/ First aid box**

Notwithstanding the contractor's obligation to comply with the requirements of the safety manual, the contractor's attention is particularly drawn to the following requirements specified:
a. The contractor shall be responsible for providing and maintaining a first aid station at the site at his own cost for emergency treatment of his employees.
b. Emergency treatment shall include carrying of emergency patient until transfer to a permanent hospital or other place of treatment.

**C-19.** The haul paths shall also form a part of the inspection paths during the execution of work, and the contractor shall maintain them properly.

**C-20. Site reclamation/restoration:**

On completion of the work to the satisfaction of the Engineer-in-Charge, the contractor shall

remove all equipment, materials, remnants of temporary facilities, rubbish, debris, and excess excavated soil resulting from their work area and any other area provided by the department. This includes public paths, roads, streams, and ditches. The contractor shall restore all of these places to proper condition to the satisfaction of the Engineer-in-Charge.

**C-21. Statutory rules and regulation of India**

The Contractor should be well concerned with such statutory rules, regulations as may be prevalent in project territory and contractor shall indemnify and keep the CWC free from and against such liability.

**C-22.** The contractor should ensure that local inhabitants and structures in the vicinity of the work are not disturbed while executing the job. Any damage occurring due to the contractor's negligence shall be to his account.

**C-23. Personnel:**

The contractor shall provide experienced personnel, including technicians, to perform the work covered herein. The Engineer-in-Charge has the right to require the removal of any personnel from the work who, in his opinion, are not qualified, unwilling, or unable to perform the work and responsibilities assigned to them by the contractor.

**C-24. No housing accommodation for the contractor or his personnel will be made available by the Engineer-in-charge**

**C-25.** The contractor should take into account any royalties leviable by the local authority for stones/boulders and aggregates/gravels obtained from local quarries or riverbeds during the execution of the work. The department will not reimburse the contractor for any expenses related to this account**.**

**C-26.** The contractor shall make his own arrangements for lighting of his housing, accommodation of his workers, and other personnel engaged by him at the work site. He shall not be entitled to any claim or payment whatsoever on this account.

**C-27.** All water which may accumulate on the site during the progress of the works, or in trenches and excavations, from other than the excepted risks shall be removed from the site to the satisfaction of the Engineer-in-Charge and at the Contractor's expenses**.**

**C-28**. The contractor shall either supervise the execution of the works himself or appoint a competent agent approved by the Engineer-in-Charge if the Contractor himself does not have sufficient knowledge and experience to receive instructions or cannot give his full attention to the works. The contractor shall, at his own expense, employ as his accredited agent an engineer approved by the Engineer-in-Charge. Orders given to the contractor’s agent shall have the same force as if they had been given to the Contractor himself. If the Contractor fails to appoint a suitable agent as directed by the Engineer-in-Charge, the Engineer-in-Charge shall have the power to suspend the execution of the works until a suitable agent is appointed and the Contractor shall be held responsible for any delay caused to the works**.**

**C-29.** All work embracing more than one process shall be subject to examination and approval at each stage, and the contractor shall give due notice to the Engineer-in-Charge or his authorized QA representative when each stage is ready. In default of such notice, the Engineer-in-Charge shall be entitled to appraise the quality and extent thereof.

**C-30.** No work shall be covered up or put out of view without the approval of the Engineer-in-Charge or his authorized representative, and the contractor shall afford full opportunity for examination at every stage and measurement of any work which is about to be covered up or put out of view, and of examination of foundations before permanent work is placed thereon. The Contractor shall give due notice to the Engineer-in-Charge or his authorized representative whenever any such work or foundation is ready for examination, and the Engineer-in-Charge or his authorized representative shall, without unreasonable delay unless he considers it unnecessary and advises the contractor accordingly, attend for the purpose of examining and measuring such work or of examining such foundations. In the event of the failure of the Contractor to give such notice, he shall, if required by the Engineer-in-Charge, uncover such**.**

**C-31**. The Engineer-in-Charge or his representative or a representative of the department shall have powers at any time to inspect and examine any part of the works, and the contractor shall provide such facilities as may be required for such inspection and examination.

**C-32. Fore closure of contract in full or in part due to abandonment or reduction in scope of work**

**C32.1** If At any time after acceptance of the tender, the Purchaser may decide to abandon or reduce the scope of the work for any reason. If the Purchaser does not require the whole or any part of the works to be carried out, the Engineer-in-Charge shall provide written notice to the Contractor. The Contractor shall have no claim for payment, compensation, or any other benefit as a result of not being able to profit from the execution of the works in full due to the abandonment of the whole or part of the works**.**

**C32.2** The contractor shall be paid at the contract rates for the full amount of work executed at the site and any other amount admissible under the contract.

**C-33. Urgent Works:**

If any urgent work becomes necessary (in respect thereof the decision of the Engineer-in-Charge shall be final and binding) and the Contractor is unable or unwilling at once to carry it out, the Engineer-in-Charge may by his own or other workpeople carry it out as he may consider necessary. If the urgent work shall be such as the contractor is liable under the Contract to carry out at his expenses, all expenses incurred on it by the Department shall be recoverable from the Contractor and be adjusted or set off against any sum payable to him.

**C-34. Changes in constitution**

Where the contractor is a partnership firm, prior approval in writing of the Engineer-in-Charge shall be obtained before any change is made in the constitution of the firm. Where the contractor is an individual or a Hindu Undivided Family business concern, such approval, as aforesaid, shall likewise be obtained before the contractor enters into any partnership firm which would have the right to carry out the work hereby undertaken by the contractor.

**C-35. Land for contractor's office, store, workshop –etc.**

Bidder will have to make all arrangements for his staff and stores as department do not have any arrangement of it.

## PART D: DESCRIPTION OF WORK

### BRIEF DESCRIPTION OF THE WORK

The work is proposed at Pangin site office campus under SDSD, CWC, Pasighat, Arunachal Pradesh. The existing site has temporary G.I. barbed wire fencing, and the estimate provides for construction of the boundary wall at the front side and left side of the campus, with gate columns and associated fencing works as detailed in the Schedule of Quantities.

### Scope of the work

#### D.1.1. General

The work comprises construction of a brick masonry boundary wall with RCC foundations, columns, plinth/tie beams, reinforcement, plastering and associated structural steel/barbed-wire fencing works. The work shall be executed as per the specifications, drawings and directions of the Engineer-in-Charge.

**D.1.2.** All work shall be carried out in accordance with the detailed specifications described herein. In case the specifications of the work are not given here, the work shall be carried out in all respects in accordance with I.S. specifications and the instructions of the Engineer-in-Charge given from time to time.

#### D.1.3. The Site:

It is understood and agreed that the contractor has satisfied himself as to the nature and location of the work, as well as terrain and local conditions, particularly those related to handling or storage of equipment and materials, availability of labor and working space, weather conditions or similar physical conditions at the site, subsoil water, subsurface materials to be encountered, the characteristics of equipment and facilities needed during the execution of work, and all other matters that may affect the work or the cost thereof under this contract. Any default or failure of the contractor to acquaint himself with all the information concerning these conditions will not relieve him from the responsibility for the execution of the contract unless the contract expressly provides that responsibility thereof is assumed by the Project authority. The information and data stated herein and incorporated in the contract else there is for information only and the Engineer-in-Charge does not guarantee that the available records completely and accurately represent the existing conditions. They also do not guarantee any interpretation of this data or the correctness of any information. The contractor shall assume responsibility for any deductions, interpretations, and conclusions drawn from them.

## PART E: ADDITIONAL CONDITIONS OF CONTRACT

In addition to the general and special terms and conditions of the contract, the following additional terms and conditions shall also be part of the tender documents/contract and will be binding on both parties. Whenever any clause of the additional terms and conditions is contradictory to the general conditions /special conditions, the clauses of the additional terms and conditions shall be considered as having been issued in suppression of the general/special terms and conditions**.**

**E.1.** The work shall be executed according to the technical specifications and requirements given in the tender document.

**E.2.** Before tendering, the Bidder shall inspect the site of work and fully acquaint himself with the conditions regarding the site, approach path, availability of water, power, etc.

**E.3.** The entire work shall remain open for inspection at all stages to the Engineer-in-Charge or his representative.

**E.4.** The contractor shall make available, free of charge, all the existing facilities available at site to the department for conducting different checks and tests.

**E.5. Rates, Prices & Payments:**

**E.5.1**. The rates quoted must include the element of the basic price as well as taxes and tariff-like excise, customs, etc.

**E.5.2**. Any tax on materials in respect of this contract shall be payable by the contractor.

**E.5.3.** The rates for all the work shall be inclusive of the cost of manpower, mobilization, demobilization, including transportation, maintenance of equipment, and consumable items such as fuel, etc. required for any operation associated with the work.

**E.5.4**. Contractor will be paid for items as listed in the schedule of quantities.

**E.5.5**. The entire work has to be executed on agreed rates.

**E.5.6.** The rates quoted by the contractor shall remain unchanged during the execution of the entire work and shall be deemed to have incorporated fluctuations in the cost of labor, equipment, materials, and Petroleum, Oil & Lubricant (P.O.L) etc. required for the work.

**E.5.7.** The unit price should be for the same unit indicated in the schedule of quantities.

**E.5.8.** The Engineer-in-Charge reserves the right to change the location of intended work at the site. The contractor shall not raise any claim because of the above changes and variations.

**E.5.9.** No payment will be made to the contractor for damages caused by rains or other natural calamities during the execution of the works, and no such claim on this account will be entertained.

**E.6.** The contractor shall supply, at the time of award of work, the list of persons, materials, and equipment they intend to deploy for the works.

**E.7. Tools & Plants**

**E.8.1.** No machinery, tools, plants, or accessories will be supplied by the Department. The contractor himself has to arrange for all his equipment, machinery, tools, and plants.

**E.8.** Any machinery required for the works will be the primary responsibility of the contractor, including its continued upkeep and operation. Any repairs to the machinery, if required, or damage to the equipment, shall be the responsibility of the contractor/respective owner of the equipment**.**

**E.9. Labour**

(i)**The contractor shall be responsible for arrangement, safety, and management of all the skilled and unskilled manpower required for all the operations involved in the works as defined above. The department shall not be responsible for the supply of any of the personnel.**

(ii) The contractor will have to provide necessary labor accommodations whenever required. The contractor will also be responsible for the welfare of the labor in all respects during the execution of work and the government will not bear any responsibility for their transportation to work site and back, etc.

(iii) The contractor will be responsible for any loss of life and materials during the execution of work.The department shall not bear any compensation or liabilities on account of such events for the personnel employed by the contractor.
(iv) The contractor should abide by all the rules and regulations in force towards safety during the execution of the work and must arrange for all accessories like hard top helmets, firefighting equipment, etc. for the personnel employed by him.
(v) Contractor shall furnish a statement showing employment of labor, their nationality, etc.

### E.10. Damage to works

**E.10.1.** Any damage done by the Contractor to any existing work during the course or execution of the work tendered for shall be made good by him at his own cost.
**E.10.2**. No payment shall be made to the Contractor for any damage to the work executed by him due to rain, flood, or any other natural calamities and the contractor shall restore the work at his own cost and ensure such execution strictly in accordance with the specification.
**E.10.3.** The maintenance and protection of work from damage of any kind shall be the responsibility of the contractor till the work is completed and handed over to the Department**.**

### E.11. Royalty

Any other incidental charges such as royalty, cartage, storage, cutting, and any other necessary activities for the execution of the work as defined above or for infrastructure activities required to be carried out in order to execute the work shall be paid by the Contractor. The Department will not reimburse the Contractor for these expenses.

### E.12. Power and Lighting.

Necessary arrangements for the lighting of the area and power required for the execution of the work will be made by the contractor for which no extra payment will be made.

**E.13.** The contractor has to arrange his own certified personnel and the department will not be responsible for such arrangements**.**

**E.14.** All safety measures prescribed in relevant safety codes, as amended from time to time, shall be binding on the contractor**.**

### E.15. Other Materials

**E.15.1.** All other materials such as cement, timber, stones, etc. for the preparation of platforms, etc. will be arranged by the Contractor as per the actual requirements**.**

**E.15.2.** The Engineer-in-Charge shall inspect all the materials and satisfy himself of their suitability prior to their usage**.**

**E.15.3.** Security during storage and upkeep of the materials brought to the work site shall be the responsibility of the Contractor, and the Engineer-in-Charge shall not accept any responsibility for the same.

## PART F: FINANCIAL BID

### F.1. Special instructions to the Bidder's for Filling up rates:

**a**. All prices should be in Indian Rupees.

**b**. The Bidder must quote total output price inclusive of all taxes, etc., including GST.

**c**. No additional charges on any account shall be payable by the purchaser on account of the duties, taxes, transportation, packing, boarding, lodging, insurance, etc.

**d**. Care should be taken to write the rates in figures as well as in words and the amounts in figures only, in such a way that interpolation is not possible. The total amount should be written both in figures and in words. In case of discrepancy between figures and words, the amount mentioned in words shall prevail. In case of discrepancy in Total amount, the unit rates shall prevail.

**e**. Prices for each item shall be furnished in the proper format only as given below and no subheadings shall be allowed. Any correction, overwriting, etc. should be countersigned.

**f**. No deviation in the payment terms mentioned above is permissible in the tender. If a bidder does not explicitly agree with the payment terms mentioned above, the tender shall be rejected as non-responsive.

**g**. The bidders should quote the rates for all the items mentioned in the schedule of quantities. The tenders not quoting for all the items are liable to be rejected.

**h**. The quoted rates shall remain valid for the complete operation time of the work.

**i**. Abnormally high or abnormally low rates shall be summarily rejected.

## FINANCIAL BID

**Name of work: "CONSTRUCTION OF BOUNDARY WALL AT PANGIN SITE OFFICE CAMPUS UNDER SDSD, CWC, PASIGHAT AND CWC, DIBRUGARH, ARUNACHAL PRADESH DURING 2026-27"**

| S. No. | Description of Work | Unit | Qty | Rate (Rs.) including GST and other incidentals | Amount (Rs.) |
|---|---|---|---|---|---|
| 1 | Clearing grass and removal of the rubbish up to a distance of 50 m outside the periphery of the area cleared. | Sqm | 118 | | |
| 2 | Earthwork in excavation by mechanical means (hydraulic excavator) / manual means in foundation trenches or drains (not exceeding 1.5 m in width or 10 sqm on plan), including dressing of sides and ramming of bottoms, lift up to 1.5 m, getting out the excavated soil and disposal of surplus excavated soil as directed, within a lead of 50 m. All kinds of soil. | Cum | 13.87 | | |
| 3 | Providing and laying in position cement concrete of specified grade excluding the cost of cantering and shuttering – all work up to plinth level: 1:3:6 (1 cement : 3 coarse sand (Zone-III) derived from natural sources : 6 graded stone aggregate 20 mm nominal size derived from natural sources). | Cum | 2.39 | | |
| 4 | Cantering and shuttering including strutting, propping etc. and removal of form work for foundations, footings, bases for columns and associated RCC work. | Sqm | 95.39 | | |
| 5 | Steel reinforcement for R.C.C. work including straightening, cutting, bending, placing in position and binding all complete up to plinth level. Thermo-Mechanically Treated bars of grade Fe-500D or more. | Kg | 967.55 | | |
| 6 | Providing and laying in position specified grade of reinforced cement concrete excluding the cost of cantering, shuttering, finishing and reinforcement – all work up to plinth level: 1 cement : 1.5 coarse sand (Zone-III) derived from natural sources : 3 graded stone aggregate 20 mm nominal size | Cum | 7.68 | | |

| | | | | | |
|---|---|---|---|---|---|
| | derived from natural sources. | | | | |
| 7 | Providing half brick masonry with common burnt clay F.P.S. (non modular) bricks of class designation 7.5 in cement mortar 1:3 (1 Cement: 3 coarse sand) in superstructure for closing cavity 5 to 7.5 cm wide in cavity wall complete with 10cm / 11.4 cm wide bitumen felt type 3 grade 1. | Sqm | 74.25 | | |
| 8 | 15 mm cement plaster on the rough side of single or half brick wall of mix 1:4 (1 cement : 4 fine sand). | Sqm | 191.184 | | |
| 9 | Structural steel such as tees, angles, channels and R.S. joists, including frame from fencing using 50 mm × 50 mm × 4 mm angle section as per IS: 808. | Quintal | 0.61 | | |
| 10 | Steel work welded in built-up sections/framed work, including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer using structural steel etc. as required. | Kg | 60.984 | | |
| 11 | Galvanised steel barbed wire of 9.8 kg per 100 metre. | Quintal | 0.322 | | |
| | **Grand Total Amount (Incl. GST)** | | | | ₹ |

Amount in words including GST
(Rupees…)

Rate of GST (in%) .....

Note:

1. While quoting the rates the contractor must be fully aware of the location and approach to the Pangin site office campus and the local conditions. Bidders are encouraged to inspect and examine the work place and its surroundings and satisfy/apprise themselves as to the nature of the works, terrain, means of access and other circumstances that may influence the tender and rates.
2. All process shall include the cost of movement of Man & Machinery at work site.
3. The quantities mentioned against each item are tentative and may vary significantly. The Purchaser is at liberty to change the quantities during the course of actual execution of work. Only actual quantities of work done will form basis of the payments to be made.

4. The quoted price shall be written both in figures and words and should be inclusive of all services and taxes except GST. However, GST will be reimbursement on production of GST paid receipts.
5. The Bill of quantities is to be read in conjunction with Scope of work.

**ANNEXURE-VII**

## PERFORMANCE GUARANTEE (CLAUSE-1)

I. The contractor shall submit an irrevocable performance guarantee of 5% (three percent) of the tendered amount in addition to other deposits mentioned elsewhere in the contract for proper performance of the contract agreement. This guarantee must be provided within 7 days of the issuance of the work order. The Engineer-in-charge may extend this period up to a maximum of 3 days (penalty applicable) upon a written request from the contractor stating the reasons for delays in procuring the Bank Guarantee, to the satisfaction of the Engineer-in-charge. The guarantee must be in the form of cash (if the guarantee amount is less than Rs. 10,000) or a Deposit at Call Receipt from any Nationalized/Scheduled Bank, Banker's Cheque from any Nationalized/Scheduled Bank, Demand Draft from any Nationalized/Scheduled Bank, or Pay Order from any Nationalized/Scheduled Bank (if the guarantee amount is less than Rs. 1,00,000) or Government.

II. In the case of failure by the contractor to furnish the performance guarantee within the specified period, the Government shall, without prejudice to any other rights or remedies available under the law, have the liberty to forfeit the earnest money absolutely.

III. The Performance Guarantee shall be initially valid up to the stipulated date of completion plus 60 days beyond that. In case the time for completion of work gets enlarged, the contractor shall have the validity of the Performance Guarantee extended to cover such an enlarged time for completion of work. After the recording of the completion certificate for the work by the competent authority, the performance guarantee shall be returned to the contractor, without any interest.

IV. The Engineer-in-charge shall not make a claim under the performance guarantee except for amounts to which the President of India is entitled under the contract (notwithstanding and/or without prejudice to any other provisions in the contract agreement) in the event of:

a) Failure by the contractor to extend the validity of the Performance Guarantee as described herein, in which event the Engineer-in-charge may claim the full amount of the Performance Guarantee.

b) Failure by the contractor to pay the President of India any amount due, either as agreed by the contractor or determined under any of the Clauses/Conditions of the Agreement, within 30 days of the service of notice to this effect by the Engineer-in-charge.

V. In the event that the contract is terminated or rescinded due to provisions of any clause or condition of the agreement, the Performance Guarantee shall be forfeited in full and shall be at the absolute disposal of the President of India.

## FORM OF PERFORMANCE SECURITY/BANK GUARANTEE BOND

1. In consideration of the President of India (here in after called "The government") having agreed To the terms and conditions of Agreement No…… dated.....made between…….and…… [Here in after called "the said contractor(s)*] ……. For the Work…….. (Here in after called "the said agreement") having agreed to production of an irrevocable Bank Guarantee for Rs. (Rupees…….. …….. Only) as a security/ guarantee from the contractor(s) for compliance with his/ **her obligations are in accordance with the terms and conditions of the said agreement.**

I/we……..(Indicate the name of the Bank) (Here in after referred to as "the Bank") Here by undertake to pay to the government on the amount not exceeding Rs…….. (Rupees…… only) on demand by the Government.

2. I/we……(indicate the name of the Bank) do here by undertake to pay the amounts due and payable under this Guarantee without any demure, merely on a demand from the government stating that the amount claimed is required to meet there recoveries due or likely to be due from the said contractor(s). Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the bank under this Guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs……(Rupees…….. only).

3. I/we, the said Bank further under take to pay to the Govt. any money so demanded not withstanding any dispute or disputes raised by the contractor(s) in any suit or proceeding pending before any Court or Tribunal relating there to, out liability under this present being absolute and unequivocal.

The payment so made by us under this Bond shall be a valid discharge of our liability for payment there under and the contractor(s) shall have no claim against us for making such payment.

4. I/we ……..(indicate the name of Bank) further agree that the guarantee here in contained shall remain in full force and a fact during the period that should be taken for the performance of the said agreement and that it shall continue to be enforceable till all the dues of the Govt. under or by virtue of the said agreement have been fully paid and its claims satisfied or discharged or till Engineer-in-charge on behalf of the Govt. certified that the terms and conditions of the said agreement have been fully and properly carried out by the said contractor(s) and accordingly discharges this guarantee.

5. I/we……..(indicate the name of Bank) further agree with the Government that the Government shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary only of the terms and conditions of the said agreement or to extend time of performance by the said contractor(s) from time to time or postponed for any time or from time to time any of the powers exercisable by the Govt. against the said contractor(s) and to for bear or enforce any of the terms and conditions relating to the said agreement and I/we shall not be relieved from our liability by reason of any such variation, or extension being granted to the said contractor(s) or for any for bearence, act of omission on the part of the Govt or any indulgence by the Govt. to the said Contractor(s) or by any such matter or thing whatsoever which under the law relating to

sureties should, but for this provision, have the effect of so relieving us.

6. This guarantee will not be discharged due to the change in the Constitution of the Bank or the contractor(s).

7. I/we……(Indicate the name of Bank) lastly under taken to revoke this Guarantee except with the previous consent of the Govt. in writing.

8. This guarantee shall be valid up…….. to unless extended on demand by Govt. Not with standing anything mentioned above, our liability against this guarantee is restricted to Rs……(Rupees……..) only and unless a claim in writing

is lodged with us within six months of the date of expiry or the extended date of expiry of this guarantee all our liabilities under this guarantee shall stand discharged.

Dated the……Day of……For ……

(Indicating the name of Bank).

## RECOVERY OF SECURITY DEPOSIT (CLAUSE1A)

The person/persons whose tender(s) may be accepted (hereinafter called the contractor) shall permit the Government, at the time of making any payment to him/her for work done under the contract, to deduct a security deposit. This deposit is liable to be deducted from the final bill at 2.5% of the contract value. Such deduction will be made and held by the Government by way of security deposit unless he/she/they have deposited the security deposit amount at the rate mentioned above in cash or in the form of Government securities or fixed deposit receipts. In case a fixed deposit receipt from any bank is provided by the contractor to the Government as part of the security deposit and the bank is unable to make payment against the fixed deposit receipt, The loss caused thereby shall fall on the contractor, and the contractor shall promptly furnish additional security to the government upon demand to make good the deficit

All compensations or other sums of money payable by the contractor under the terms of this contract may be deducted from, or paid by the sale of a sufficient part of his/her security deposit or from the interest arising there from, or from any sums which may be due to or may become due to the contractor by the Government on any account whatsoever. In the event of his/her security deposit being reduced by reason of any such deductions or sale as aforesaid, the contractor shall, within 10 days, make good in cash or a fixed deposit receipt tendered by the State Bank of India or by Nationalized/Scheduled Banks or Government Securities (if deposited for more than 12 months) endorsed in favor of the Engineer-in-charge, any sum or sums which may have been deducted from, or raised by sale of his/her security deposit or any part thereof. The security deposit shall be collected from the running bills of the contractor at the rates mentioned above and the earnest money, if deposited in cash at the time of tenders, will be treated as part of the security deposit.

NOTE: Government papers tendered as security will be taken at 5% below its market price or at its face value, whichever is less. The market price of Government papers will be ascertained by the Divisional Officer at the time of collection of interest, and the amount of interest to the extent of deficiency in value of the Government paper will be withheld if necessary.

NOTE: Note 1 and 2 above shall be applicable for both Clause **1 and 1A.**

**ANNEXURE-VIII**

**Public Procurement (Preference to Make in India) Order, 2017**

**A-Restrictions under Rule 144 (xi) of GFR 2017**

Restrictions on procurement from a bidder of a country which shares a land border with India:

I. Any bidder from a country that shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority.

II. "Bidder" (Seller/Service Provider) means any person, firm, or company, including any member of a consortium or joint venture (an association of several persons, firms, or companies), every artificial juridical person not falling within any of the descriptions of bidders stated herein before, including any agency branch or office controlled by such person, participating in a procurement process.

III. A bidder from a country which shares a land border with India for the purpose of this order means:

a. An entity incorporated, established, or registered in such a country; or
b. A subsidiary of an entity incorporated, established, or registered in such a country; or
c. An entity substantially controlled through entities incorporated, established, or registered in such a country; or
d. An entity whose beneficial owner is situated in such a country; or
e. An Indian (or other) agent of such an entity; or
f. A natural person who is a citizen of such a country; or
g. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above.

IV. The beneficial owner for the purpose of (III) above will be as under.:

1. In the case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical persons, has a controlling ownership interest or who exercises control through other means.
Explanation—
a. "Controlling ownership interest" means ownership of or entitlement to more than twenty five percent of shares or capital or profits of the company;
b. "Control" shall include the right to appoint a majority of the directors or to control the management or policy decisions, including by virtue of their shareholding or management rights or shareholders agreements or voting agreements.

2. In the case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical persons, has ownership of or entitlement to more than fifteen percent of capital or profits of the partnership.

3. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical persons, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals.

4. Where no natural person is identified under (1) or (2) or (3) above, the beneficial owner is the relevant natural person who holds the position of senior managing official.

5. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust, and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

**V.** An agent is a person employed to do any act for another, or to represent another in dealings with third persons.

**VI.** The successful bidder shall not be allowed to subcontract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority**.**

Any false declaration and non-compliance of the above could be grounds for immediate termination of the contract and further legal action in accordance with the laws.

Declaration in respect of this clause needs to be submitted/uploaded online with the technical bid documents in the format available at **Annexure-III**.

**B-Public Procurement (Preference to Make in India)**Order, 2017 in pursuant to Rule 153 (iii) of the General Financial Rules 2017

Procurement under this bid is reserved for purchasing from class 1 local suppliers with a suitable margin of preference as defined in the Public Procurement (Preference to Make in India) Order 2017, as amended from time to time, and its subsequent orders/notifications issued by the concerned nodal ministry for specific goods/products/services. The minimum local content to qualify as a class 1 local supplier is denoted in the bid document as 50%. All bidders shall upload a self-certification as per **Annexure-I.**

# INTEGRITY PACT

(Integrity Pact is applicable for all works of estimated cost put to tender equal to or more than the threshold value given in Schedule-F) This Integrity Pact is made at ..... on this ..... day of ..... 20 .....

BETWEEN

President of India represented by the Engineer-in-Charge (hereinafter referred to as the Principal, which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assignees)

AND

.....
.....

(Name and address of the bidder)

(Hereinafter referred to as the Bidder/Contractor and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assignees)

Preamble

WHEREAS the Principal has floated the tender (NIT No……) (hereinafter referred to as the Tender) and intends to award, under laid down organizational procedure, contract for ..... (Name of work) ..... hereinafter referred to as the Contract.

AND WHEREAS the Principal values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Contractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as Integrity Pact), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

In order to achieve these goals, the Principal will appoint Independent External Monitors (IEMs) who will monitor the tender process and the execution of the contract for compliance with the principles mentioned hereunder.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Integrity Pact witnesses as under:

Article 1: Commitment of the Principal

The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:

No employee of the Principal, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

The Principal will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential/ additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.

The Principal shall endeavour to exclude from the Tender process any person, whose

conduct in the past has been of biased nature.

If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Contractor(s)

It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the Government / Department all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.

The Bidder(s)/Contractor(s) commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:

The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.

The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.

The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/ Contract(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/ representatives in India, if any. Similarly, Bidder(s)/Contractor(s) of Indian nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participates in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.

The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.

Bidder(s) / Contractor(s) who have signed the Integrity Pact shall not approach the courts while representing the matter to IEMs and shall wait for their decision in the matter.

The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice, wilful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the Government interests.

The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use coercive practices (which shall include the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/ her reputation or property) to influence their participation in the tendering process.

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Principal under law or the contract or its established policies and laid down procedures, the Principal shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the Bidder/ Contractor accepts and undertakes to respect and uphold the Principal absolute right:

If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal after giving 3 days' notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal. Such exclusion may be forever or for a limited period as decided by the Principal.

Forfeiture of Earnest Money Deposit/Performance Guarantee/Security Deposit: If the Principal has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Principal apart from exercising any legal rights that may have accrued to the Principal, may in its considered opinion forfeit the entire amount of Earnest Money Deposit/Performance Guarantee and Security Deposit of the Bidder/Contractor(as applicable).

Criminal Liability: If the Principal obtains knowledge of conduct of a Bidder or Contractor, or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of PC Act, or if the Principal has substantive suspicion in this regard, the Principal will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

The Bidder declares that no previous transgressions occurred in the last 3 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the tender process.

If the Bidder makes incorrect statement on this subject, he can be disqualified from the

tender process or action can be taken for banning of business dealings/holiday listing of the Bidder/Contractor as deemed fit by the Principal.
If the Bidder/Contractor can prove that he has resorted/recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal may, at its own discretion, revoke the exclusion prematurely.
Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors
The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement by any of its Subcontractors/sub-vendors.
The Principal will enter into pacts on identical terms as this one with all Bidders and Contractors.
The Principal will disqualify Bidders who do not submit the duly signed Integrity Pact between the Principal and the Bidder along with the Tender or violate its provisions at any stage of the Tender process.
Article 6- Duration of the Pact
This Integrity Pact begins when both the parties have legally signed it. It expires for the Contractor 12 months after the completion of work under the contract or expiry of defect liability period or last payment made under the contract, whichever is later and for all other bidders, 6 months after the Contract has been awarded. If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this Integrity Pact as specified above, unless it is discharged/determined by the Chief Engineer, BBO, CWC, Guwahati concerned.

Article 7- Other Provisions
This Integrity Pact is subject to Indian Law, place of performance and jurisdiction is the Headquarter of the Division of the Principal, who has floated the tender.

Changes and supplements as well as termination notice need to be made in writing.
If the Contractor is a partnership or a consortium, this Integrity Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Integrity Pact must be signed by a representative duly authorized by board resolution.
Should one or several provisions of this Integrity Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intensions.
Issues like Warranty/Guarantee etc. shall be outside the purview of IEMs.
It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Pact, any action taken by the Principalin accordance with this Integrity Pact or interpretation thereof shall not be subject to arbitration.
In view of the nature of integrity pact, the Integrity Pact is irrevocable and shall remain valid even if the main tender/contract is terminated till the currency of the integrity pact.
If any complaint regarding violation of IP is received directly by the Principal in respect of the contract, the same shall be referred to the IEM for comments/recommendations.

Article 8 –Independent External Monitor (IEM)

The Principal appoints competent and credible Independent External Monitor for this Pact after approval by Central Vigilance Commission (Names and address of IEMs are as mentioned in Schedule-F). The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

The Monitor is not subject to instructions by the representatives of the parties and performs his/her functions neutrally and independently. The Monitor would have access to all contract documents, whenever required. It will be obligatory for him/her to treat the information and documents of the Bidders / Contractors as confidential.

The Bidder(s)/Contractor(s) accepts that the IEM has the right to access without restriction to all project documentation of the Principal including that provided by the Contractor, The Contractor will also grant the IEM, upon his/her request and demonstration of a valid interest, unrestricted and unconditional access to their project documentation. The same is applicable to sub- contractors.

The IEM is under contractual obligation to treat the information and documents of the Bidder{s}/Contractor(s)/ Sub-contractor(s) with confidentiality. The IEM has also signed 'Non-Disclosure of Confidential Information' and 'Absence of Conflict of Interest'. In case if any conflict of interest arising at a later date, the IEM shall inform the Engineer-in-Charge and recuse himself / herself from that case.

As soon as the IEM notices, or believes to notice, a violation of this agreement, he/she will so inform the Management of the Principal and request the Management to discontinue or take corrective action, or to take other relevant action. The IEM can in this regard submit non-binding recommendations. Beyond this, the IEM has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.

The IEM will submit a written report to the Chief Engineer, BBO, CWC, Guwahati concerned within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should the occasion arise, submit proposals for correcting problematic situations.

If the IEM has reported to the Chief Engineer, BBO, CWC, Guwahati concerned, a substantiated suspicion of an offence under relevant IPC/PC Act, and the Chief Engineer, BBO, CWC, Guwahati concerned has, within a reasonable time, not taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the IEM may also transmit this information directly to the Central Vigilance Commissioner.

The Principal will provide to the IEM sufficient information about all meetings among the parties related to the project provided such meetings could have impact on contractual relations between the Principal and the contractor. The parties will offer to the IEM the option to participate in such meetings.

The word IEM or monitor would include both singular and plural.

Article 9- Legal and Prior Rights

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity

Pact will have precedence over the Tender/Contact documents with regard to any of the provisions covered under this Integrity Pact.
IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first above mentioned in the presence of following witnesses:

## SCHEDULE OF QUANTITY

# "CONSTRUCTION OF BOUNDARY WALL AT PANGIN SITE OFFICE CAMPUS UNDER SDSD, CWC, PASIGHAT AND CWC, DIBRUGARH, ARUNACHAL PRADESH DURING 2026-27."

| S.No. | Detail of Work | Unit | Qty | Rate | Amount |
|---|---|---|---|---|---|
| 1 | Clearing grass and removal of the rubbish up to a distance of 50 m outside the periphery of the area cleared. | Sqm | 118 | | |
| 2 | Earthwork in excavation by mechanical means (hydraulic excavator) / manual means in foundation trenches or drains (not exceeding 1.5 m in width or 10 sqm on plan), including dressing of sides and ramming of bottoms, lift up to 1.5 m, getting out the excavated soil and disposal of surplus excavated soil as directed, within a lead of 50 m. All kinds of soil. | Cum | 13.87 | | |
| 3 | Providing and laying in position cement concrete of specified grade excluding the cost of centering and shuttering – all work up to plinth level: 1:3:6 (1 cement : 3 coarse sand (Zone-III) derived from natural sources : 6 graded stone aggregate 20 mm nominal size derived from natural sources). | Cum | 2.39 | | |
| 4 | Centering and shuttering including strutting, propping etc. and removal of form work for foundations, footings, bases for columns and associated RCC work. | Sqm | 95.39 | | |
| 5 | Steel reinforcement for R.C.C. work including straightening, cutting, bending, placing in position and binding all complete up to plinth level. Thermo-Mechanically Treated bars of grade Fe-500D or more. | Kg | 967.55 | | |
| 6 | Providing and laying in position specified grade of reinforced cement concrete excluding the cost of centering, shuttering, finishing and reinforcement – all work up to plinth level: 1 cement : 1.5 coarse sand (Zone-III) derived from natural sources : 3 graded stone aggregate 20 mm nominal size derived from natural sources. | Cum | 7.68 | | |
| 7 | Providing half brick masonry with common burnt clay F.P.S. (non modular) bricks of class designation 7.5 in cement mortar 1:3 (1 Cement: 3 coarse sand) in superstructure for closing cavity 5 to 7.5 cm wide in cavity wall complete with 10cm / 11.4 cm wide bitumen felt type 3 grade 1. | Sqm | 74.25 | | |
| 8 | 15 mm cement plaster on the rough side of single or half brick wall of mix 1:4 (1 cement : 4 fine sand). | Sqm | 191.184 | | |
| 9 | Structural steel such as tees, angles, channels and R.S. joists, including frame from fencing using 50 mm × 50 mm × 4 mm angle section as per IS: 808. | Quintal | 0.610 | | |
| 10 | Steel work welded in built-up sections/framed work, including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer using structural steel etc. as required. | Kg | 60.984 | | |
| 11 | Galvanised steel barbed wire of 9.8 kg per 100 metre. | Quintal | 0.322 | | |
| | **Grand Total Amount (Incl. GST) Rs.** | | | | ₹ |

## INSTRUCTIONS FOR ONLINE BID SUBMISSION

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, preparing their bids in accordance with the requirements, and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: https://eprocure.gov.in/eprocure/app.

## REGISTRATION

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal by clicking on the link "Online bidder Enrollment" on the CPP Portal, which is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These could be used for any communication from the CPP Portal.
4. Upon enrollment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode/ eMudhra etc.) with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that bidders are responsible for ensuring that they do not lend their DSCs to others, which may lead to misuse.
6. The bidder then logs in to the site through the secured login by entering their user ID/password and the password of the DSC/e-Token.

## SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built into the CPP Portal to facilitate bidders in searching for active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option for advanced search for tenders, where bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, and other keywords to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents/tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to notify the bidders through SMS/email in case there is any corrigendum issued for the tender document.
3. The bidder should make note of the unique Tender ID assigned to each tender in case they want to obtain any clarification or help from the Helpdesk**.**

## PREPARATION OF BIDS

1. Bidders should take into account any corrigendum published on the tender document before submitting their bids.

2. Please carefully review the tender advertisement and the tender document to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each document that need to be submitted. Any deviations from these may lead to rejection of the bid.

3. Bidders should prepare the bid documents to be submitted as indicated in the tender document/schedule in advance. Generally, they can be in PDF/XLS/RAR/D F/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing the size of the scanned document.

4. To avoid the time and effort required to upload the same set of standard documents that are necessary for every bid, a provision has been made for bidders to upload such standard documents (such as a PAN card copy, annual reports, auditor certificates, etc.). Bidders can utilize the "My Space" or "Other Important Documents" section to upload these documents. These documents can then be submitted directly from the "My Space" section when submitting a bid, eliminating the need to upload them repeatedly. This will reduce the time needed for the bid submission process.

Please "My Documents" space is simply a repository provided to bidders to simplify the uploading process. If a bidder has uploaded their documents in the "My Documents" space, this does not guarantee that these documents will automatically be included in Technical B.

## SUBMISSION OF BIDS

1. Bidders should log into the site well in advance of bid submission so that they can upload the bid on time, i.e. on or before the bid submission time. Bidders will be responsible for any delays due to other issues.

2. The bidder must digitally sign and upload the required bid documents one by one as indicated in the tender document.

3. Bidders must select the payment option as "offline" to pay the tender fee/EMD as applicable and enter details of the instrument.

4. Bidders should prepare the EMD as per the instructions specified in the tender document. The original should be posted, couriered, or given in person to the concerned official by the last date of bid submission or as specified in the tender documents. The details of the DD or any other accepted instrument physically sent should match with the details available in the scanned copy and the data entered during bid submission. Otherwise, the uploaded bid will be rejected.

5. Bidders are requested to note that they must submit their financial bids in the provided format, as no other format will be acceptable. If the price bid is in a standard BoQ format

provided with the tender document, then all bidders must download and fill out the same. Bidders are required to download the BoQ file, open it, andComplete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

6. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids, etc. The bidders should follow this time during bid submission.

7. All the documents submitted by the bidders should be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is also done. Any bid document uploaded to the server is subjected to symmetric encryption using a system-generated symmetric key. Furthermore, this key is then subjected to asymmetric encryption using the buyer/bid opener's public keys. Ultimately, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

8. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

9. Upon the successful and timely submission of bids (i.e. after clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message and a bid summary will be displayed with the bid number and the date & time of submission of the bid with all other relevant details.

10. The bid summary has to be printed and kept as an acknowledgment of the submission of the bid. This acknowledgment may be used as an entry pass for any bid opening meetings.

## ASSISTANCE TO BIDDERS

1. Any queries related to the tender document and the terms and conditions should be directed to the Tender Inviting Authority for that tender or the relevant contact person listed in the tender.

2. Any queries related to the process of submitting a bid online or questions about the CPP Portal in general can be directed to the 24x7 CPP Portal Helpdesk.

# Scope of Work

1. Name of Work: "CONSTRUCTION OF BOUNDARY WALL AT PANGIN SITE OFFICE CAMPUS UNDER SDSD, CWC, PASIGHAT AND CWC, DIBRUGARH, ARUNACHAL PRADESH DURING 2026-27".

**2. Brief Description**

The work involves construction of a boundary wall at Pangin site office campus under SDSD, CWC, Pasighat, Arunachal Pradesh, including RCC foundations, columns, plinth/tie beams, brick masonry, plastering and associated structural steel/barbed-wire fencing works, as detailed in the approved estimate and drawings. The work shall be completed in all respects as per directions of the Engineer-in-Charge.

**3. Scope of Work**

The scope of work covered under this tender shall include, but not be limited to, the following:

3. Scope of Work

(A) Joint site inspection with CWC officers(AEE or their representatives) prior to commencement of work.

Preliminary and Site Preparation Works

(A) Joint site inspection with CWC officers (SDEs or their representatives) prior to commencement of work.

(B) Clearing of site including removal of grass, rubbish, vegetation, debris and other obstructions from the work area.

(C) Setting out, marking and identification of the boundary wall alignment, gate locations and associated work.

(B) Disposal of dismantled material and debris at approved locations, including loading, unloading, and transportation.

Earthwork and Foundation Works

(A) Excavation in foundation trenches and for RCC column/gate foundations as per approved dimensions and levels.

(B) Providing and laying PCC base and RCC foundations/columns/beams with reinforcement, centering and shuttering as specified.

(C) Disposal of surplus excavated earth and debris at locations directed by the Engineer-in-Charge.

(D)Mixing, placing, vibrating, finishing, and curing of concrete to achieve specified strength and durability.

Masonry, Plastering and Structural Works

(A) Providing half-brick masonry in cement mortar for the boundary wall at the specified locations and dimensions.

(B) Providing cement plaster to exposed masonry surfaces as specified.

(C) Providing and fixing structural steel angles/frames and galvanized barbed wire fencing as detailed in the approved drawing.

(D) Providing steel reinforcement, RCC columns, plinth beam and tie beam complete as per the approved drawings and specifications.

Finishing Works

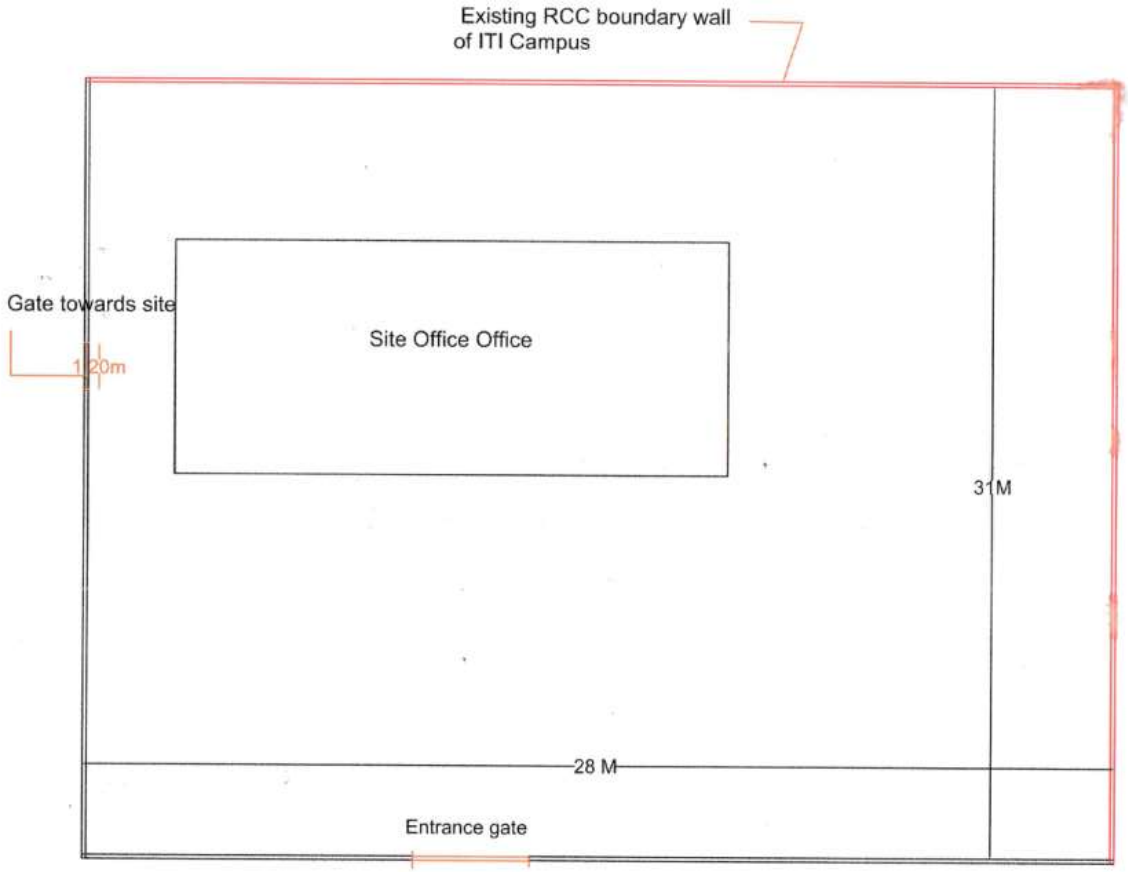

Finishing and Completion

(A) Finishing of exposed surfaces and structural members, including primer/painting where specified.
(B) Completion of gate-column and fencing works and all incidental works required for a complete boundary wall.
Quality Control
(A) Use of good quality materials conforming to relevant Indian Standards (IS) and approved by the Engineer-in-Charge.
(B) Ensuring adequate curing period for RCC works.
(C) Rectification of defects noticed during inspection or during the defect liability period, at no extra cost.
Completion and Site Clearance
Completion and Site Clearance
(A) Removal of surplus materials, shuttering, tools, plants and debris after completion of work.
(B) Cleaning and restoration of the site to the satisfaction of the Engineer-in-Charge.
(C) Final inspection and handing over of completed work.
4. Time of Completion
The entire work shall be completed within 90 (Ninety) days from the date of issue of the work order.
5. Specifications and Standards
All works shall conform to relevant IS codes, CPWD specifications, CWC guidelines, approved drawings and instructions issued by the Engineer-in-Charge.
The contractor shall comply with all applicable labour laws, safety regulations, and environmental norms. Necessary safety arrangements, barricading, and warning signage shall be provided at site.
7. Contractor's Responsibility
The contractor shall arrange all labour, materials, tools, plants, machinery, scaffolding, and water required for execution of the work.
The rates quoted shall be inclusive of all taxes, royalties, leads, lifts, and incidental charges unless otherwise specified in the tender document.
**8. Measurement and Payment**
Measurements shall be recorded jointly by the contractor and departmental representatives. Payment shall be made based on actual quantities executed at the accepted tender rates, subject to approval by the competent authority.

| Sl. No. | Particulars | Details |
|---|---|---|
| 1 | Name of Work | Construction of Boundary Wall at Pangin Site Office Campus under SDSD, CWC, Pasighat and CWC, Dibrugarh, Arunachal Pradesh during 2026-27. |
| 2 | Work Site | Pangin site office campus under SDSD, CWC, Pasighat, Arunachal Pradesh. |
| 3 | Existing Condition | Temporary G.I. barbed wire fencing exists around the campus and has been found damaged. The estimate proposes construction of a brick masonry boundary wall around the remaining portion of the campus. |
| 4 | Boundary Wall Extent | Front side: 28.00 m; Left side: 31.00 m; total proposed wall length: 59.00 m. The remaining boundary is covered by existing RCC boundary wall / work already executed by IIT Pangin, as recorded in the estimate. |
| 5 | Main Components | Earthwork; PCC; RCC foundations, columns, plinth beam and tie beam; reinforcement steel; half-brick masonry; 15 mm cement plaster; structural steel angle frames; welded steel work; and galvanised barbed-wire fencing. |
| 6 | Gate / Fencing Provisions | Main gate opening: 3.00 m; gate towards site: 1.20 m. Associated RCC gate columns and fencing works shall be executed as per the approved drawings and Schedule of Quantities. |
| 7 | Reference Documents | Approved estimate dated 10.08.2026 and drawings attached with this tender document |
