NOTICE INVITING QUOTATION

Sealed quotations are invited on behalf of the President of India, by EE, NEID-I, CWC, Silchar from the bonafide and registered contractors/firms to carry out the work **'Clearance of rank vegetation, bushes for approach path to Dam top and levelling of river banks as per requirement at Damring Irrigation Project, North Garo Hills, Meghalaya'**. The quotation will be received in the office of the undersigned i.e. O/o Executive Engineer, NEID-I, CWC, Rongpur Part-I, Silchar-9 during the working hours up to 15:00 hrs. on or before 02-11-2026 and shall be opened on the same day at 16:00 hours by the undersigned/authorised officials in presence of the interested quotationers or their authorised representatives who desire to remain present at the time of opening of quotations.

Sl. No.	Description of Item/Works	Last date and time for receiving quotation	Date & Time for opening quotation	Location
1	Clearance of rank vegetation, bushes for approach path to Dam top and levelling of river banks as per requirement at Damring Irrigation Project, North Garo Hills, Meghalaya	02-11-2026 15:00 Hrs.	02-11-2026 16:00 Hrs	O/o EE, NEID-I, CWC, Rongpur Part-I, Silchar-9

Scope of Work:

The work shall comprise the following activities at the locations identified by the Engineer-in-Charge at the Damring Irrigation Project site:

1. **Clearing of jungle and vegetation:** Clearing of bushes, grass, rank vegetation, brushwood and saplings up to 30 cm girth, measured at a height of 1 m above ground level, along the designated approach path to the dam top and at the identified investigation locations. The work shall include collection and removal of the resulting rubbish to a distance of up to 50 m outside the periphery of the cleared area.
2. **Excavation and removal of material:** Excavation in ordinary rock by mechanical means, including the use of a hydraulic excavator, or by manual means, as appropriate to site conditions and as directed by the Engineer-in-Charge.
3. **Levelling and dressing of ground:** Levelling and neatly dressing the excavated and disposed material at designated locations to achieve the required ground profile, as directed by the Engineer-in-Charge.
4. **Execution and completion:** The work shall be executed at the locations and to the extent specified by the Engineer-in-Charge, keeping in view the site requirements for investigations. The contractor shall maintain the work area in a neat and accessible condition and complete the work to the satisfaction of the Engineer-in-Charge.
