NOTICE INVITING TENDER

CPWD-6

On behalf of the President of India, EXECUTIVE ENGINEER, HYDROLOGY DIVISION, CENTRAL WATER COMMISSION, "NEERVALAM", R-81, TNHB COLONY, NEAR TELEPHONE EXCHANGE, WEST VELACHERY, CHENNAI - 600 042 invites **open tenders** for the following work from registered firm/proprietor.

Name of the work: Construction of RCC Gauge Posts at H.O sites under PSD, CWC, Kadapa

Period of Completion: 60 days

Estimated cost: Rs. 9,70,000/-

1. Tender form can be downloaded from https://eprocure.gov.in/epublish/app (CPP Portal) and https://cwc.gov.in (CWC Portal)
2. Last Date and Time for Submission of Bids: 15.10.2026 @ 15.00 hrs
3. Date & Time of opening of bids: 16.10.2026 @ 10.00 hrs
4. The bidder has to submit following documents before due date and time, otherwise the bid will not be considered for opening:
    - Technical and Financial bids
5. The Eligibility Criteria for technical bid is as follows:
    - The bidder should have registered as a proprietor / firm with Central or State Government.
    - The bidder should have minimum of three years experience in the field of civil works.
    - The bidder should provide proof preferably from Govt departments of having satisfactorily completed similar works during the last three financial years. Similar works here refer to civil works completed by the bidder during the last three financial years as stated below.

      Three similar works, each of value not less than 40% of the estimated cost, Or

      Two similar works, each of value not less than 60% of the estimated cost, Or

      One similar work of value not less than 80% of the estimated cost put to tender, during the last three years (ending on the last day of the month previous to the one in which the tenders are invited), where the works completed by them are working satisfactorily. (Sample format for filling

the above criteria is given. Participating agencies are instructed to fill the form mandatorily. For quick technical evaluation of bids, the participating agencies are instructed to submit only the relevant documents that satisfies the qualifying criteria for the tender).

- The bidder shall have GST and PAN number. Agencies which are not having GST certificate may give an undertaking that their turnover is less than the prescribed value as per GST law.
- **Bidders producing valid MSE certificate are exempted from prior experience, other exemptions as per GoI norms.**
- Undertaking in the prescribed proforma.

6. The firm should enclose all documentary proof / evidence to substantiate the eligibility criteria as given above along with the tender.
7. In case of a consortium, the agreement in original between various partners will be submitted with the bid clearly identifying the parts and components of the system for which the concerned partner is responsible for execution. However, each of the partners of the consortium will be jointly responsible for execution and completion of the works.
8. One of the partners of the consortium will be identified in the agreement, as a lead partner and will be authorized to execute the contract with the purchaser. All financial transactions and liabilities shall rest with the lead partner.
9. The qualifying criteria will be applicable to each of the partners of the consortium with a limited scope of works for which the concerned partner is responsible as a member of the consortium.
10. In case of consortium of contractors for the major components of the works, the qualifying criteria will be applicable to each partner separately for the specific portion of the project which are to be the direct responsibility of the partner.
11. Agreement shall be drawn with the successful bidder on prescribed Form CPWD-8 which is available as Government of India Publication; Bidder shall quote his rates as per various terms and conditions of the said form, which will form part of the agreement.
12. **The time allowed for carrying out the works shall be 60 days from the day of written orders to commence the works, as the work is required at multiple locations across the states of Andhra Pradesh, Karnataka and also considering the monsoon season.**
13. The site for the work shall be made available. Electricity, Water supply will be provided by the department for the construction activity.
14. The competent authority on behalf of the President of India does not bind himself to accept the lowest or any other tender, and reserves his right to reject any or all of the tenders received without assigning any reason thereof. The competent authority on behalf of President of India reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.
15. The technical bid shall include all the relevant documents supporting the technical competence of the offers and shall indicate by proper cross referencing with such supporting documents. Any additional information requested by the department during the course of evaluation of the technical bid shall be

supplied within the time limits set by the department.

16. The tender shall be valid for a period of 60 days from opening date of the bid.
17. **Tenderers are encouraged to inspect and examine the work place and its surroundings and satisfy / apprise themselves as to the nature of the work, the means of access and in general, shall obtain themselves all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender and rates, before submitting their tenders. A tenderer shall be deemed to have full knowledge of the work place whether he/ she inspects the site or not and no extra payment / compensation consequent upon any misunderstanding / mis-happening or otherwise shall be allowed.**
18. **Submission of a tender by a tenderer implies that he/she has read this notice and all other contract documents and has made himself/herself aware of the scope and specifications of the work to be done and local conditions and other factors having a bearing on the execution of the work.**
19. All tenders in which any of the prescribed conditions are not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.
20. Canvassing whether directly or indirectly, in connection with tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be summarily rejected by Purchaser**.** The tenderer shall not be permitted to tender for works in the CWC circle (responsible for award and execution of contracts) in which his near relative is posted as Divisional Accountant or as an officer in any capacity between the grades of Superintending Engineer of the concerned Circle, and Assistant Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any gazetted officer in the Central Water Commission or in the Ministry of Jal Shakti. Any breach of this condition by the tenderer would render his tender liable to be rejected.
21. No Engineer of Gazetted rank or other Gazetted officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled, if either the contractor or any of his employees is found at any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
22. The tender for the works shall remain open for acceptance for a period of 60 days from the date of opening of technical bids. If any tenderer withdraws his tender before the aforesaid period or makes any modifications in the terms and conditions of the tender which are not acceptable to the department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said earnest money as aforesaid.
23. This Tender/Bid Document comprises of the following parts:
    - Notice Inviting Tender

- Additional Instructions to Tenderers
- Scope of Work
- Technical Specifications
- General Conditions of Contract

24. This Notice Inviting Tender shall form a part of the contract document. The successful tenderer / contractor, on acceptance of his tender by the Accepting Authority, shall, within 15 days from the stipulated date of start of the work, sign the contract agreement consisting of:-
    - The Notice inviting tender, all the documents including General Conditions and Special Conditions of contract, technical specifications, forms of the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto.

2. Sub Divisional Engineer, PPSD, CWC, Chennai.
3. Sub Divisional Engineer, CDSD, CWC, Karaikal.
4. Sub Divisional Engineer, PSD, CWC, Kadapa.
5. Software Management Directorate, CWC, New Delhi with a request to upload the tender document in CWC website.

ADDITIONAL INSTRUCTIONS TO TENDERERS

Introduction:

Central Water Commission is a premier Technical Organization of India in the field of Water Resources and is presently functioning as an attached office of the Ministry of Jal Shakti, Government of India. The Commission is entrusted with the general responsibilities of initiating, coordinating and furthering in consultation of the State Governments concerned, schemes for control, conservation and utilization of water resources throughout the country, for purpose of Flood Control, Irrigation, Navigation, Drinking Water Supply and Water Power Development. Cauvery and Southern Rivers Organization, Coimbatore under CWC is mainly associated with collection, compilation of Hydrological & Meteorological data at various locations of the rivers flowing through the States of Kerala, Tamil Nadu, Puducherry, Parts of Karnataka & Parts of Andhra Pradesh. The data collected by the organization is extensively used for the water resources development, planning, management, research etc. The work proposed is for construction of RCC gauge posts at H.O sites under PSD, CWC, Kadapa.

1. One Bid per Bidder:

Each bidder shall submit only one bid either by himself or as a partner if in a joint venture. Bidder who submits or participates in more than one bid will be disqualified. **Bidder's signature is mandatory in each page of the tender document.**

2. Signing the tender:

In the event of the tender being submitted by a firm, it must be signed separately by each partner thereof or in the event of the absence of any partner, it must be signed on his behalf by a person holding a power-of attorney authorizing him to do so, such power of attorney to be produced with the tender, and it must disclose that the firm is duly registered under the Indian Partnership Act, 1952(documents to be enclosed).

Receipts for payment made on account of work, when executed by a firm, must also be signed by all the partners, except where contractors are described in their tender as a firm, in which case the receipts must be signed in the name of the firm by one of the partners, or by some other person having due authority to give effectual receipts for the firm.

3. Amendment of Bidding Document:

At any time prior to the deadline for submission of bids, the department may amend bidding documents by issuing addendum. Any addendum thus issued, shall be part of the bidding document and shall be communicated in writing to all bidders of the bidding document. To give perspective bidders, reasonable time in which to take an addendum into account in preparing their bids, the Employer shall extend as necessary the deadline for submission of bids.

4. Language of the Bid:

All documents relating to the bid shall be in the English language.

5. Security Deposit:

After the successful completion of the work by the firm / contractor, 2.5% of bill value (Form 24) as Security Deposit will be deducted. **The security deposit will be held by the department for a period of**

12+2 months from the date of completion of the work. The security deposit will be returned to the agency only after satisfactory performance of the installed systems. The withheld period may also be extended if the department intends to do so.

6. Bid Prices:

- The bid shall be for the full quantity as described in the schedule of work, corrections, if any, shall be made by crossing out, initialling, dating and re writing.
- Rates quoted shall be inclusive of all charges like material, transportation, labour, taxes and other levies and incidental expenses, if any.
- The rate quoted by the tenderers shall remain fixed for the duration of the contract and shall not be subject to adjustment on any account.
- No additional charges will be paid over and above the quoted rates of the Agency and the department shall also not pay any extra amount on any account.
- Deviation in quantities of agreed items will be arrived as per relevant CPWD manual.
- If there is any discrepancy between unit rate and total amount, the unit rate will prevail.
- The rates shall be quoted in Indian Rupee only.
- **If two or more agencies become L1 bidder after technically qualified, relevant procedures laid down in GFR/CPWD/Manual on Procurement of Works will be followed for award of contract.**
- **The work involves construction of RCC gauge posts at different H.O sites in the states of Andhra Pradesh, Karnataka. The location of H.O sites with pin code are given along with financial bids. Agencies/Contractors are advised to quote the bid prices accordingly.**
- **Deviation in casting number of RCC gauge posts is allowed with the approval of Sub Divisional Engineer.**

7. Bid Validity:

Bid shall remain valid for the period of 60 days from the date of technical bid opening. In exceptional circumstances prior of the original bid validity period, the Executive Engineer may request the bidders to extend the period of validity in a specified additional period. The request and the responses thereto shall be made in writing only.

8. Corrupt and fraudulent practices:

- It is expected that Bidders under this contract observe the highest standard of ethics during the execution of this contract. In pursuance of this policy, the Executive Engineer.
- Defines for purpose of these provisions, the terms set forth below as follows:-
- ‘Corrupt practice’ means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the contract execution, and
- ‘Fraudulent practice’ means a misrepresentation of facts in order to influence the execution of a contract to the detriment of the employer, and includes collusive practice among Bidders (prior to or

after bid submission) designed to establish bid process at artificial non-competition levels and to deprive the Executive Engineer of the benefits of free and open competition.

- Will reject a proposal for award of work if he determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for contract in question.

9. Clarification of Bidding Documents:

To assist in the examination, evaluation and comparison of bids, the department may at its discretion, ask any bidder for clarification of its bid. The request for clarification and the response shall be in writing, but no change in the price or substance of the bid shall be sought or offered or permitted except as required to confirm the correction of arithmetic errors discovered by the department in the evaluation of the bids.

10. Examination of Bids and Determination of Responsiveness:

A substantially responsive bid is one that confirms to all the terms and conditions of the bidding document without material deviation or reservation. A material deviation or reservation is one which affects in any substantial way the scope, quality or performance of the work and which limits in any substantial way inconsistent with the bidding documents, the Executive Engineer's rights or the bidder's obligations under the contract, or whose rectification would affect unfairly the competitive position of other bidders presenting substantially responsive bids. If a bid is not substantially responsive, it will be rejected by the Executive Engineer and may not subsequently be made responsive by correction or withdrawal and the non-confirming deviations or reservations.

11. Award criteria:

The Executive Engineer shall award the contract to the Bidder whose Bid has been found to be substantially responsive and who has offered the lowest evaluated Bid Price.

12. Notification of Award:

The bidder whose bid has been accepted will be notified of the award by the Executive Engineer prior to expiration of the Bid validity period. This letter of acceptance will state the sum that the Executive Engineer will pay the contractor in consideration of the execution of the works by the contractor.

13. Dispute Resolution Mechanism:

Any disputes arising on the contract will be referred to SE, C&SRC, CWC, Coimbatore and the decision of SE, C&SRC, CWC, Coimbatore will be final and binding to the bidder**.**

14. Signing of Contract:

The successful bidder, on acceptance of his bid by the Accepting Authority shall, within 15 days from the stipulated date of start of the work, sign and execute the Contract in the contract/agreement form along with performance guarantee.

15. Payment Terms:

- The payment will be made to the agency by the Executive Engineer after measuring the actual quantity of works completed. The measurement will be carried out by Junior Engineer or Sub Divisional Engineer as designated by the competent authority. No advance or intermediate payments are allowed in this tender. TDS on GST and Income Tax will be deducted as applicable. **GST number of the office is 33CHEH03655B1D1**.

- However since the monsoon season may affect the installation of gauge posts at some of the H.O sites, part payment is allowed for this work as per actual completion and installation of number of gauge posts at H.O sites. The part payment will be decided by Executive Engineer as deemed fit. To process the part payment, Engineer-in-charge (i.e) JE or SDE shall make necessary record and bill entries.

16. Termination of Contract:

If the contractor does not comply with labour laws and contract conditions, the Executive Engineer may terminate the contract and the performance guarantee will be forfeited completely.

17. Other terms and conditions:

- The Department will not be responsible for any injury sustained to the man power during the execution of the work. Any expenditure incurred by the department to face the situation arising out of act of workers will be made good by the agency. If any incident / accident occurred during the work, the department will not be held responsible for the same. It is the responsibility of the agency to provide sufficient insurance coverage / compensation as per the latest act in force.
- The Agency shall work under the control of the Executive Engineer, Hydrology Division or his authorized representative.
- Superintending Engineer, C&SRC, CWC, Coimbatore may consider relaxation of any of the terms and condition of the contract if required.
- The security deposit will be forfeited in case termination of the contract by the Department due to lapse on the part of contractor/Agency.
- The debris / rubbish generated during the work shall be cleared from the premises and disposed by the agency at their own cost immediately after the completion of entire work.

18. Liquidated Damages:

Liquidated Damages shall be levied upon the agency as determined by the Superintending Engineer not exceeding 5% of contract value failing to attend the contract as per conditions and in the event of any damage / loss to the property or delay in completion of the work without the approval of Executive Engineer or asset of the department.

19. Materials to be used for the work:

Approved brands as decided by Engineer-in-charge shall only be used for all fixtures, materials and works.

20. At any time prior to the deadline for submission of bids, the department may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective Tenderer, modify the bidding documents by amendment in writing, which will be binding on all the Tenderers.

21. The bid prepared by the Tenderer, as well as all correspondence and documents relating to the bid exchanged by the Tenderer and the department shall be written in English language. Supporting documents and printed literature furnished by the Tenderer may be in another language provided they are accompanied by an accurate translation of the relevant passages in the English language in which case, for purposes of interpretation of the Bid, the translation in English Language shall govern.

22. All corrections / cuttings /over writings in the tender document shall be initialled by the Tenderer.

23. The technical bid prepared by the Tenderer shall comprise the following components:

- All the terms and conditions clearly indicating variation, if any, with tender requirements;
- Documentary evidence to establish that the Tenderer is eligible to bid and is qualified to perform the contract if the bid is accepted:
- Documentary evidence to establish that the materials to be supplied by the Tenderer are as per specifications and conform to the bidding documents;

24. The financial bid shall comprise Schedule of Quantities in Financial Bid Format duly filled and signed. However the sample format is attached herewith for understanding.

25. Intending tenderers are advised to visit CWC website https://cwc.gov.in (CWC Portal) and https://eprocure.gov.in/epublish/app (CPP Portal) regularly to check for any corrigendum /amendment.

26. Evaluation of Bids: Initially only the Technical Bids (Stage-1) shall be opened and evaluated. If the bidder meets the qualifying criteria as specified in the bid document, and the solution offered by him meets the requirement of the tenderer, then the bidder shall be shortlisted for financial evaluation. Otherwise the bidder would be rejected at this stage itself.

27. The financial bids (Stage-2) shall be evaluated subsequently and intimated to the technically qualified bidders. The bidder whose bid is in order and evaluated to be financially lowest, shall be considered for award of the contract.

28. The prices quoted shall be F.O.R. destination and inclusive of all statutory duties and taxes and no additional amount on the quoted prices shall be paid on account of such duties, taxes and octroi etc.

29. Prices quoted by the Tenderer shall be fixed during the validity period of the Contract and not subject to variation on any account. A Tender submitted with an adjustable price quotation is liable to be treated as non-responsive and rejected.

30. The Tenderer shall furnish, as part of its Tender, documents establishing the eligibility and conformity to the bidding documents of all goods and services, which the Tenderer proposes to supply under the Contract.

31. For purposes of the comments to be furnished, the Tenderer shall note that standards for workmanship, material and equipment, and references to brand names or catalogue numbers designated by the department in its technical specifications are intended to be descriptive only and not restrictive. The Tenderer may substitute alternative standards, brand names and/or catalogue numbers in its bid, provided that it demonstrates, to the department's satisfaction, that the substitutions ensure substantial equivalence to those.

32. During evaluation of technical bids, the department may, at its discretion, ask the Tenderer for a clarification of its bid, for which no charges shall be paid to the Tenderers. The request for clarification and the response shall be in writing and no change in prices or substance of the bid shall be sought, offered or permitted.

33. Tenders from Agents/dealers, without proper authorization, shall be treated as non-responsive.

34. The Tenderer shall not contact the Department on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded. If the Tenderer wishes to bring additional information to the notice of the Department, it should do so in writing.
35. **Integrity Pact**: All the Users i.e. Seller as well as Buyer agree not to indulge in any corrupt practices including without limitation any activity or action to influence the transaction on any aspect of contract and commit to take all measures necessary to prevent corruption maintaining complete transparency and fairness in all activities. Users agree to follow and adhere with the Integrity Pact guidelines.
